

Reports from Every State

All Agree that Lydia E. Pinkham's Vegetable Compound Wonderfully Relieves Woman's Suffering.

From all parts of this country the clearest evidence is constantly coming to the office of the Lydia E. Pinkham Medicine Co. of Lynn, Mass., proving the wonderful power shown by Lydia E. Pinkham's Vegetable Compound in controlling ills peculiar to women. Here are letters from Vermont, Arkansas and New Jersey:

It Cured Me!

Roxbury, Vt.—"A year ago last December I was taken with a female trouble and doctored for it but did not get any help until I took Lydia E. Pinkham's Vegetable Compound. My back troubled me a good deal and these troubles lasted so long that I grew terribly poor and I felt a great deal easier lying down. No one knows what I suffered. I did not dare consult another doctor I was so afraid he would say I had got to have an operation. I can truly say that Lydia E. Pinkham's Vegetable Compound was a god-send to me for after suffering about eight months this wonderful medicine cured me."—MRS. NELLIE E. FRENCH.

Her Best Friend.
Weehawken, N. J.—"I must call you my best friend for what your remedies have done for me. I am 50, and am passing through the change of life and for some time I felt but since I took Lydia E. Pinkham's Vegetable Compound I feel fine and will recommend it to every woman who suffers as I did."—MRS. KATHIE LEONHARDT, 419 7th St., Weehawken, N. J.

Had Awful Pains in Side.
Branch, Ark.—"Every month I suffered with cramping pains and I had awful pains in my left side. I was very irregular. I had a tired feeling all the time and did not sleep good at night. I took Lydia E. Pinkham's Vegetable Compound and in three months I was well."—MRS. MAE GATTIS, Branch, Ark.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Why This Bride Turned Pale.
Two ladies, who had known each other in years gone by, met on the street. Both of them were married to musicians. The one, a bride of a year, was pushing a baby carriage in which were three fine babies—triplets, all girls. The other lady had been in the bonds of matrimony a couple of weeks.

"What beautiful children!" exclaimed the newly-married one with interest.

"Yes," replied the proud mother, "let me tell you the funniest coincidence. At our wedding supper the boys who played with my husband in the orchestra serenaded him and they played 'Three Little Maids,' from 'The Mikado.' Isn't that queer?"

At this the newly-married one turned pale.

"Mercy," she gasped. "At our wedding supper Tom's friends serenaded him, and they rendered 'The Sextete' from 'Lucia.'"

LIEUT. P. C. J. CHENEY.

Native of Washington, Vt., Died in Appleton, Minn.

The Appleton, Minnesota, Press of Nov. 2 announces the death of Lieutenant P. C. J. Cheney, a native of Washington, who was well known in this vicinity. The Press has the following appreciative words concerning him:

"Lieut. P. C. J. Cheney died very suddenly at his home in the St. James hotel on Friday evening, Oct. 27, at 5:15 o'clock. Though he had been in poor health for years, the fact that his condition that day was unusually serious was not generally known and the news of his death came as a shock to his friends and relatives both here and away.

"The body was removed the following day to the home of his niece, Mrs. Zella Tadsen, where it remained until the funeral services, conducted from the house Monday afternoon at 2 o'clock. Rev. C. E. Lyons of Minneapolis, officiated at the house, and two selections, 'Abide with Me' and 'Beautiful Isle of Somewhere,' were rendered by the choir. The local lodge, A. E. & A. M., took charge of the services at the grave and performed the last rites over the remains of their departed brother.

"Perley Chandler Jones Cheney was born June 23, 1839, in Washington, Orange county, Vermont, the son of David and Ruth Putnam Cheney. His father was a farmer and his boyhood days were spent upon the farm securing, as he himself said, a common school education, which was very limited. At the age of 18 years he left home and began his life for himself, spending the next two years clerking in a country store in Massachusetts. From this he advanced to the position of salesman in a wholesale dry goods establishment in Boston and remained there one year. During that year he cast his first ballot—for Abraham Lincoln in November, 1860. The Civil war broke out the following year and Mr. Cheney enlisted with the Montpelier company C., of the First Vermont cavalry. In service with his company in a cavalry charge at Gettysburg on July 3, 1863, he was seriously wounded and for six months following was incapacitated. When his condition permitted he again joined his company and participated in five more notable battles before he resigned from the service in June, 1864.

"In 1866 he was married to Annie DeCater and they made their home in Chelsea, Mass., and Mr. Cheney acted as traveling salesman for a number of years. Mrs. Cheney died on July 2, 1882. During the later years of his mercantile work he traveled through Illinois, Iowa, Wisconsin and Minnesota.

"In 1887 an ailment, caused primarily by a wound, brought a breakdown in health and he retired from this work. For the past six years he has made his home in Minnesota, the greater part of the time in Appleton.

"Though a great sufferer during these last days, he was always cheerful and a brave soldier to the last. This tribute written of him by a friend tells a fitting story of the closing of a notable career.

"In a hotel lobby up at Appleton, Minn., an old man sits dreaming. His face is a study—strong, thoughtful, refined—a product of the Green mountain—his father a Cheney, his mother a Putnam.

"His once stalwart, knightly physique has become corpulent and somewhat bowed. Asthma limits his activity. His eyes have become dimmed to only head-line capacity. So he sits and dreams—and sometimes it is of the second battle of Bull Run. He was then an orderly sergeant in the only cavalry regiment Vermont sent South. The rebels were again seemingly victorious and back came a New York regiment toward where the Vermonters were drawn up in line, officers to the rear. The colonel had just given the order to retreat when Sergeant Cheney at the front rose in his stirrups shouting: 'The First Vermont cavalry never retreats until it sees something besides the 14th New York in front of it.' The men hesitated, the order was countermanded, the New Yorkers halted and re-formed, then charged down one road, the Vermonters another and the oncoming rebels were repulsed.

"All told the gallant regiment was in 76 battles, and promotion came to the young sergeant—then a Mosby surprise and Libby prison, an exchange, and a nearly mortal wound at Gettysburg. After the war a long and successful military career in connection with a Boston firm, addresses at unveilings, and dedications and reunions, and the continued friendship of Custer and Grant and Sheridan. Then the clouds gathered. His wife died and the childless old man, to be near his brothers, came to Minnesota. They have both preceded him and now with burdening weight, shortened breath and uncertain eye he sits among strangers and dreams.

"Mr. Cheney is survived by four half-brothers, Frank and Lafayette, of Vermont, and William and Irvin, now in the West, and his remains were laid to rest in the Appleton cemetery besides his two brothers, Bradley and John, and the following are the surviving relatives at the funeral: Mrs. Laura Cheney, Mrs. Zella Tadsen, Mr. and Mrs. F. L. Skillman, and Burton Cheney, of Appleton; Mrs. R. J. Seiberlich, of Minneapolis, and Israel Putnam Cheney, of Lyleton, Sask., Canada.

"The news of his death will bring sorrow to his surviving soldier comrades, with all of whom he kept in touch during his life and whom he numbered as his particular friends; General Theodore S. Peck, Frank R. Wells, Fred H. Wells, and others.

"The funeral services will be held at 2 o'clock Sunday afternoon at the residence of Mrs. Zella Tadsen, 100 North Main street, Appleton, Minn.

Newbro's Herpicide

Aids Nature and Keeps the Scalp Clean From Dandruff

Reasonable care and effort are all that are required to enable almost any woman to have good hair. When the hair falls out and is stringy, uneven, dry, brittle and generally unsightly, the condition is nearly always due to dandruff.

Before the hair will grow naturally and luxuriantly, the scale-like accumulation must be removed and the dandruff eradicated. That is what Newbro's Herpicide does. It is an aid to nature. Herpicide keeps the scalp clean, adds a softness and luster to the hair which indicates health. It not only prevents the hair from falling out but causes it to become one of woman's greatest charms.

Beautiful hair and lots of it may be the reward of every woman willing to devote a little personal effort to the use of the First and Original Germ-Remedy for Dandruff. Herpicide stops itching of the scalp. It has an exquisite odor.

You can obtain a trial size bottle and booklet telling all about the hair by sending ten cents in postage or silver to The Herpicide Co., Dept. S, Detroit, Mich.

Your dealer sells Herpicide in two sizes, 50 cents and \$1.00, and guarantees satisfactory results or money refunded. Insist upon having genuine Herpicide and not some "off brand" said to be "just as good" preparation. The substitute costs you just as much as the real article. Why take chances?

Herpicide applications obtained at the better barber shops and hair dressing parlors.

The Deutschland as Postman.

Our postal authorities are ready to send mail by Capt. Koenig, if he is disposed to carry it.

Once the mails went by the swift steamers, but the letters destined for the war zone take as much time to reach the addresses as letters did when the mailbags went by sailing vessels. And many of them never arrive at all.

The British censor and his assistants read letters with deliberation. In some cases they have been so slow that a piece of mail has taken four months between New York and Berlin. The Deutschland can certainly better that record.

Of course, with allied cruisers on the watch for the submarine, the letters would not be entirely safe. But nothing is safe at sea to-day. Hundreds of thousands of pieces of mail have sunk to the bottom of the ocean.

On reaching Germany the contents of the bags would be at the disposal of the German censor, who would go over them with painstaking care. But he would let through many of the communications which the British censor would delight in destroying.

The chief value of sending mail by the Deutschland would be the discomfort such a proceeding would cause to the British censor, who has abused his power.

Mail by submarine would destroy the censorship which has been shown to be an important part of the British idea of freedom of the seas.—Boston Herald.

AN AGED WOMAN

Tells How Vinol Made Her Strong

In her eighty-second year, Mrs. John Wickersham of Russellville, Pa., says: "I was in a run-down, feeble condition and had lost flesh. A neighbor asked me to try Vinol, and after taking two bottles my strength returned; I am gaining in flesh, it has built up my health, and I am feeling fine for a woman of my age, so I get around and do my housework." The reason Vinol was so successful in Mrs. Wickersham's case was because it contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the very elements needed to build up a weakened run-down system and create strength. Secure Ajax Tires Now and Save Money

We have contracted for many more thousands of dollars' worth of tires in 1916 than any previous years, and our sales have been greater this year than ever before.

We have not sold, however, in 1916, all that we have contracted for. We are short on our contract about two thousand dollars (\$2,000.00). Now, in order to secure our rebate from the factory, we will offer nearly two thousand dollars' worth of new, fresh goods that have just arrived at 15 per cent. from list price for the balance of the year only. After January 1, list prices will be resumed.

Tire Prices Will Advance Soon

Owing to a 50 per cent. increase in fabric and advanced schedule of rates of labor, so that the present prices will not continue for any great length of time.

NOTE.—We will sell for immediate delivery only these \$2,000.00 worth of tires at this reduction, so that we may get our yearly rebate. After this sale, remember, list prices only.

We have handled Ajax Tires for more than six years consecutively and each tire sold carries with it the company's guarantee of 5,000 miles, together with our recommendation.

We have just completed arrangements with the Ajax factory for their representative in Barre for 1917.
